The American Numismatic Society -

Dear Sirs -

Enclosed please find three coins - The Greek ones I thought might have a value - If you care to buy them I shall be glad & shall be grateful for any sum the three coins may bring.

Kindly address

Dear Madam:

I am returning the three coins which you sent to us. The three are worth from fifty cents to one dollar. This Society is not interested in the purchase of them as we have a number of these pieces which are quite common.

Very truly yours,

Curator
